XIXth International Symposium on Technological Innovations in Laboratory Hematology

April 25-28, 2006

NH Grand Hotel Krasnapolsky, Amsterdam The Netherlands

Acknowledged as the leading Laboratory Hematology Symposium, **The International Society for Laboratory Hematology (ISLH)**, in conjunction with **Vereniging voor Hematologisch Laboratoriumonderzoek (VHL)**, the Dutch Society of Laboratory Hematology, are delighted to announce ISLH 2006 Amsterdam.

The planned program promises to be the best yet, with state of the art concurrent sessions in cellular analysis, flow cytometry, hemostasis, molecular diagnostics and transfusion medicine. The full program is now available online at www.islh.org.

The highly commended *Breakfast with the Experts* has been expanded and includes breakfast group sessions with several laboratory hematology luminaries. Available seats are limited, register early to reserve your seat!
